Looking for a wild time this summer? Sign up for the summer reading program, Tails and Tales, at SWCPL. Toddlers through sixth grade are invited to participate in age-group events, engage with weekly guest speakers, read books for prizes and ride along with Checkers and Snoozer on their reading road trip.

Each Thursday a special guest will share a program with children a tale... or a tail. In June those events include a Light and Shadow family workshop, yoga for children and a visit with a furry companion. July's special events include an interactive movie, a bird walk, an animal-themed Lego challenge and a furry visitor just for preschoolers and toddlers.

All summer long, Checkers and his vacuum cleaner sidekick Snoozer will be on a reading road trip, exploring the world of animals and their habitats, interviewing experts and creating an animal craft. This weekly television-style show will be available on the library's video channels. The 12-episode series begins June 1.

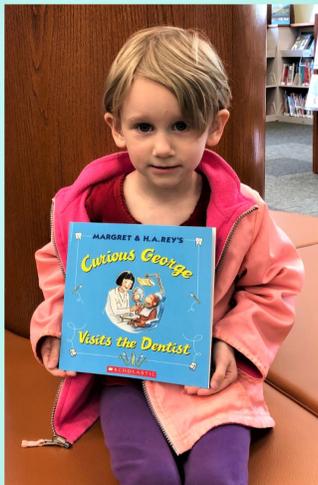

Join SWCPL in the park this summer.

The first library summer concert in the park will be on June 3. California Dream-in' entertains with 60s, 70s and 80s music from the gazebo. Bring a lawn chair or blanket to enjoy.

A free yoga class begins meeting on Fridays at 5 p.m. in the park by the pavilion. Bring a mat or large beach towel with you. The class begins June 4.

Family bingo is scheduled for 6:30 p.m. June 9 in the park. Bring the whole family for fun and prizes.
