

February is Library Lovers Month, and we're celebrating!

It's time for a We Love Our Library sign scavenger hunt. There are 5 signs placed around the community. Find the signs and bring a list of their locations to the library to be entered in a

prize drawing.

We also want you to love our digital resources. Thousands of movies, ebooks and audiobooks are available for free with your library card on hoopla, Kanopy and Overdrive.

During the month of February, every time you download material from our digital col-

lection let us know by sending an email to info@swcplib.com, commenting on our Facebook page or telling a staff member. Each time you download, your name will be entered into a prize drawing to be held at the end of the month. Access our digital collection through our web page, www.swcplib.com.

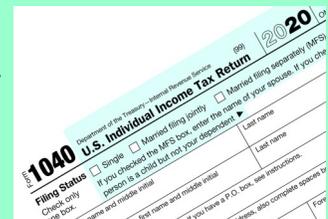

As we explore more virtual program options, patrons will be able to attend via Zoom. The link for each program can be found on the events calendar on our website, www.swcplib.com. Just click on the link a few minutes before the event begins, and library staff will "admit" you to the Zoom room for the program. You can also request the Zoom link by emailing info@swcplib.com.

If you need help making an appointment to receive a COVID-19 vaccine, library staff have had training and can help you make an appointment. Patrons also can log on to www.ourshot.in.gov to schedule an appointment or call 211.

Due to COVID-19 the AARP tax help that has been available at the library for the past few years will not be an option this year. You can contact the Woodlands Senior Center in Columbia City to find help in filing your taxes.

Also, state and federal tax agencies are not providing forms or instructional booklets to libraries. Patrons may use the public computers to download federal tax forms at www.irs.gov and state tax forms at www.in.gov/dor/. Library staff can assist you with downloading forms and booklets.
