Page Turners Book Club

Aug. 15 @ 3:30 p.m.

The Island of Sea Women by Lisa See follows two girls, Mi-ja and Young-Sook, who, despite coming from very different backgrounds, develop a friendship on the Korean Island of Jeju. Working with the island's all-female diving collective, they develop a deep bond. Forces outside of their control push their friendship to a breaking point. This historical fiction novel highlights a unique culture. Check out the book at the library, or download the ebook, then join in the discussion.

Look for the *New York Times* bestsellers in the center of the New Releases shelves. If the book is checked out there will be a placeholder picture in its place. Bestsellers may be put on hold, and can be checked out for two weeks, but not renewed at the end of the loan period.

A mug rug is the **take-and-make kit** for August. Pick up this craft and work on it at your own pace. Projects are available on a first-come, first-serve basis, beginning Aug. 15.

Residents who walk their dogs along the community's sidewalks are asked to please clean up after your pet. South Whitley is a lovely place to take a walk, so let's keep our town clean and be considerate of others who use the sidewalks or are tasked with maintaining yards and properties.
