

Library Lovers Month

All month

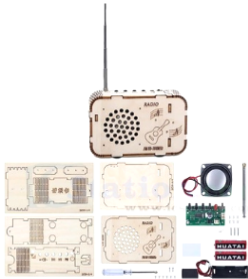

It's Library Lovers Month! Stop in and let us know what you love about your library and let us show our appreciation of you. Just ask for a sticky

note at the front desk and let us know what you love about SWCPL or libraries in general. Or, if you prefer, we'll take your photo with a We Love Our Library sign and post that on the board.

Teen Tech Lab

Feb. 14, 4 p.m.

Tech expert Ryan Gable will be guiding teens age 12-18 through the process of building their own radio during this month's lab. Teen Tech Lab will meet every other month
