Book Club Refresh

It's time for a book club makeover.

Daryl Shrock has taken over the club's leadership role. She is always open to new ideas and wants the club to be member-driven. She wants input on ideas, meeting times and even location. Bring your ideas to the meeting or send Daryl an email at dshrock@swcplib.com with thoughts on meeting times, places, and books or themes you would like to discuss. This month, the club is going to be reading and discussing *Almost Famous People*. While radio and television are familiar to us, the names Lee De Forest and Philo Farnsworth are not well known. Join Daryl at 5:45 p.m. July 24 for a chat about De Forest, Farnsworth and other unknown people who invented well-known things.
